

SAFE RIDING SUGGESTIONS

1. Always make a pre-riding inspection prior to riding your motorcycle (See page 23).
2. Never ride a motorcycle without a helmet and it is recommended that the mortorcyclist wear boots, gloves, eye protection, and bright clothing to further enhance rider safety.
3. Handlebar fairings and luggage racks or saddle bags may adversely affect the handling characteristics of the motorcycle. Extra care must be taken in loading and riding motorcycles with this equipment.
4. Place both hands on the handlebars and your feet on the foot rests while riding. Encourage a passenger to hold himself on the motorcycle with both hands and to use the passenger foot rests.
5. Obey all federal and local law regulations and use your headlight in the daytime hours to make the motorcycle more visible to other motorists.
6. It is recommended that you become familiar with your new motorcycle by riding in an uncongested area before riding on the public roadways.
7. Be sure to signal when making a turn or changing lanes.
8. Do not ride on the roadway shoulder. Remember a motorcyclist should always preserve nature and respect property.
