

Helmet Holder

The helmet holder (1) is under the right handlebar. Insert the ignition key (2), turn it counterclockwise to unlock and hang your helmet on the hook at the hinge.

Turn the key (2) all the way clockwise and remove the key.

WARNING

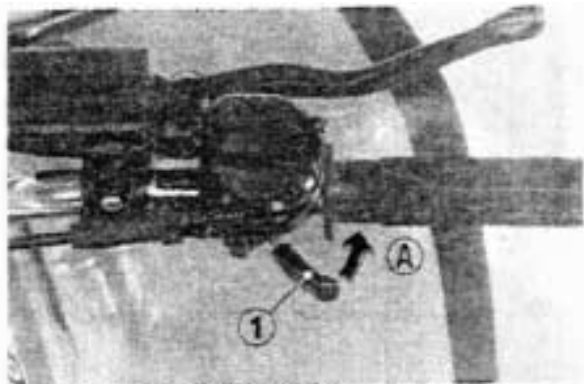

The helmet holder is designed for helmet security while parking. Do not operate the FOUR TRAX with a helmet attached to the holder.

- (1) Helmet holder
- (2) Ignition key

Throttle Lever

The throttle lever (1) is next to the right handlebar grip and is operated by the rider's thumb. Pressing the lever forward opens the throttle. When the lever is released, spring tension closes the throttle automatically.

- (1) Throttle lever
- (A) Open
