

## Helmet Holder

The helmet holder (1) eliminates the need for carrying your helmet after parking. The holder can be locked to help prevent theft.

1. Unlock the holder with the key (2).
2. Hang your helmet on the holder pin (3) and lock the holder pin and turn the key counterclockwise. This automatically locks the helmet holder.

**WARNING:** The helmet holder is designed for helmet security while parking. Do not operate the motorcycle with a helmet attached to the holder.

## Engine Oil

Good engine oil has many desirable qualities. Use only high detergent, quality motor oil certified on the container to meet or exceed requirements for service SE or SF. It is not necessary to use additives.

### Viscosity:

Viscosity grade of engine oil should be based on average atmospheric temperature in your riding area. The following provides a guide to the selection of the proper grade or viscosity of oil to be used at various atmospheric temperatures.
