

Catalytic Converters

California only:

This motorcycle is equipped with two three-way catalytic converters.

These catalytic converters contain precious metals that serve as catalysts, promoting chemical reactions to convert the exhaust gasses without affecting the metals.

The catalytic converters act on HC, CO, and NOx. A replacement unit must be an original Honda part or its equivalent.

49-state & Canada:

This motorcycle is equipped with two oxidation catalytic converters.

These catalytic converters contain precious metals that serve as catalysts, promoting chemical reactions to convert the exhaust gasses without affecting the metals.

The catalytic converters act on HC and CO. A replacement unit must be an original Honda part or its equivalent.
