

Parking

- Use the helmet holder(s) to secure your helmet(s) with your motorcycle:
 - Open the travel trunk (page 52).
 - Turn the knob in the trunk to unlock the helmet holders.
 - Hang your helmet(s), using the D-ring on the helmet strap.
 - Push the holder in to lock it.

NOTICE

Riding with a helmet attached to the helmet holder can cause damage to the helmet, or damage to the paint or finish of your motorcycle.
