Frame

Item	Material	Remarks		
Steering head bearing race and bearings	Multi-purpose grease			
Steering head dust seal lips				
Swingarm pivot needle bearing				
Swingarm pivot dust seal lips				
Shock link/shock arm needle bearings				
Shock link/shock arm dust seal lips				
Kickstarter arm joint sliding				
Brake lever pivot sliding surface				
Side stand pivot sliding surface				
Brake pedal pivot sliding surface				
Chain tensioner roller bearings	4-stroke engine oil			
Clutch lever pivot sliding surface				
Front and rear wheel axle thread				
Step joint pin surface				
Throttle pipe sliding surface and throttle wire drum				
Brake hydraulic system inside			DOT 4 brake fluid	
Clutch hydraulic system inside				
Air cleaner element			Specific oil for air filters	
Throttle cable sliding surface			Cable lubricant	
Handlebar grip			Honda bond A or equivalent	

Item	Material	Remarks
Drive chain adjuster stopper screws threads	Locking agent	
Side stand bracket bolt threads		
Drive chain slider mounting screw threads		
Rear brake hose clamp screw threads		
Cooling fan screws threads
