

Safety precautions

- Ride carefully and keep your hands on the handlebars and your feet on the footrests.
 - Always keep the safety of other riders in mind.
- NOTICE** This motorcycle is not designed to transport a passenger.

Protective gear

Make sure that you wear an approved motorcycle helmet, eye protection and high-visibility protective clothing. Always ride alert, adapting to weather conditions and the road.

■ **Helmet**

- Approved, highly visible and the appropriate size for your head.
- It should fit comfortably, but securely, with the chin strap fastened.
 - Visor with a clear field of vision or other approved form of eye protection.

⚠ **WARNING**

Not wearing a helmet increases the chance of suffering serious injuries or even death in the case of a collision.

Make sure that you always wear an approved helmet and protective gear.

NOTICE This motorcycle is not designed to transport a passenger.

■ **Gloves**

Abrasion-resistant leather gloves providing full coverage.

■ **Riding boots or footwear**

Sturdy boots with non-slip soles and ankle protection.
