

Indicators & Displays

AT Indicator, MT Indicator / LOW Indicator (except for SXS1000M3)

These indicators display the transmission mode of the SXS.

The indicators display: AT for automatic shift mode, MT for manual shift mode (except for SXS1000M3).

To switch between AT mode and MT mode, press the AT/MT switch (page 48). When MT mode is selected in low-range (L), the LOW indicator also comes on.

SPORT Indicator (except for SXS1000M3)

When AT mode is selected, pressing the SPORT switch displays the SPORT indicator (page 49).
