

# Contents

---

These pages give an overview of the contents of your owner's manual.

The first page of each section lists the topics discussed in that section.

**Driver & Passenger Safety ..... 1**

The most important safety guidelines, how accessories and modifications can affect your safety, and the location of safety-related labels on your vehicle.

**Instruments & Controls ..... 11**

The location, function and operation of the indicators, driver controls, and other operational components.

**Before Driving..... 73**

The importance of wearing a seat belt, helmet, protective eyewear and other protective gear, how to make sure you and your Honda are ready to drive, plus load limits and guidelines on carrying cargo.

**Basic Operation & Driving Guidelines..... 85**

How to start and stop the engine, select a driving mode and gear, plus guidelines for driving on hills and other off-road situations.

**Servicing Your Honda ..... 111**

Why your vehicle needs regular maintenance, what you need to know before servicing your vehicle, a maintenance schedule, and instructions for specific maintenance and adjustment items.

**Tips ..... 213**

How to store and transport your Honda, and how to be an environmentally responsible driver.
