

Safe Riding Precautions

Do Not Perform Stunts

You should always operate your ATV in a safe and reasonable manner. When riding, always keep all four wheels on the ground.

WARNING

Attempting wheelies, jumps, and other stunts increases the chance of an accident, including an overturn.

Never attempt stunts, such as wheelies or jumps. Don't try to show off.

Ride Only When Visibility Is Good

Your ATV is not equipped with lights. It is intended to be used only during the daytime. You should ride only when visibility is good. Plan to stop riding well before it gets dark. Operation at night without lights may be illegal in some states/provinces.
