

DOCUMENT BAG

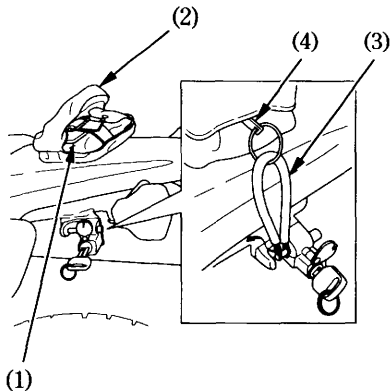

The document bag (1) is in the tool bag storage (2) at the rear of the seat.

Unlock the helmet holder (page 38) and release the tool bag lock wire (3).

Open the fastener (4).

This owner's manual and other documents should be stored in the document bag.

When washing your motorcycle, be careful not to flood this area with water.

- (1) Document bag
- (2) Tool bag storage
- (3) Tool bag lock wire
- (4) Fastener
